Navigating the CAL-ED Forum

The forum is located at: http://forum.cal-ed.org.

This is just a basic overview on how to login, read current posts, and how to reply to posts within the forum.

#1. Sign in with your username and password from when you first set up your account. (If you have not yet registered, do that first. You will need to wait for approval from the website administrator. You will get an email saying your account has been activated.) If you forget your username or password, please email the website administrator.

If you have any questions at all on how to use the forum, please email the website administrator. I'd be happy to help you!

WORKSHOPS & PRESENTERS
« on: January 17, 2012, 10:32:48 PM »

The tentative list of workshops and presenters is now posted on the website. You can read that list here: http://www.cal-ed.org/pages/2012workshops.html

If you have questions about the workshops, ask them here.

Hello!

First off, I want to say YAY for the new website, and THANKS to the area reps for all the information regarding this year's conference! 😄

I'm intrigued by the new style of this year's conference, but before I can spend the $500+ traveling expenses to attend, I need to get my

#5. Click on Workshops and Presenters. Now you will see all of the posts from members. You can scroll down to read all of the questions/comments.

#6. To respond to the post you will click the REPLY tab on top or the bottom.

Home page

Post to the forum

Preview your post

#7. To Reply, type your text in the box provided. If you want to preview your message, click preview at the bottom to see your post. If you are ready to post, click Post. The only bummer part is that there is not a spell check function.

#8. Now your post will show up under the other responses. If you want to go back to the main page of areas and topics, click "home" at the top of the page.
